# IMPORTANT INFORMATION

After you have filled out the application, there are two methods for us to receive this document.

The first is to simply print the completed application from any printer and drop it off with one of our staff members. It will be given to management for review.

The second is to e-mail it as an attachment to [applications@anthonystrattoria.online](mailto:applications@anthonystrattoria.online) where it will be received directly by management. Depending on the device and/or software being used to view and fill out this application, you may encounter difficulties saving or filling out this form. Many 3rd-party PDF readers (especially ones built into browsers like Chrome, FireFox, and Edge) lack the features to do this. This is true more-so with smart devices rather than a desktop PC using good-old Adobe Reader. If you are on a device in which you can not easily save a copy of your application in order to e-mail to us, please try this feature that most modern devices have.

**\*\*When you print this form, you should see a drop-down box where you can select a printer. If you click it, most devices will list an option to "Print to PDF" or "Save as PDF" which is what you should select. after you click print, it should save a copy to a location of your choosing.\*\***

The absolute best way to ensure compatibility so that we will properly receive your application, is to open this form using an Adobe® product such as Adobe Reader for PC or Mac. If you are on a mobile device or tablet, we can not guarantee receipt of your application by using the "Submit Application" button located below. **\*\*If you choose to use the "Submit Application" button, please only click once. You may not see a confirmation page if using software other than Adobe®, a browser reader, mobile device, or tablet.**
